

Your school and the Regional Transit Service (RTS) are pleased to introduce the RTS Smartcard ID Pass. It serves as your student ID and lets you travel on RTS buses during specific time periods. Please read the information below so you know how it works.

## PASS TYPES

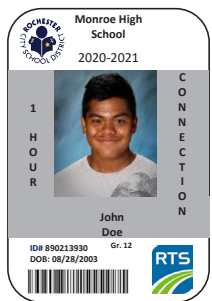

Each student who is eligible for transportation will receive one of three different RTS Smartcard ID passes. You can only use your pass Monday through Friday when school is in session.

### NO DOWNTOWN ID PASS

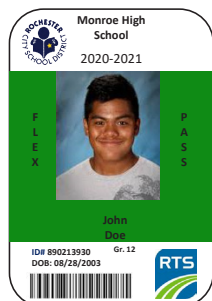

The "No Downtown Pass," which is white in color, can only be used on Neighborhood Direct Routes. The pass is only valid on NDS routes going to and from your school. You cannot use the "No Downtown Pass" to travel through Downtown Rochester.

### 1 HOUR CONNECTION ID PASS

The "1 Hour Connection Pass," which is grey in color, is valid from 5:30am to 9:30am at any RTS bus stop, including at the RTS Transit Center. From 10:30am to 5:00pm, the pass is valid at the closest bus stop to the school printed on the pass, as well as at the RTS Transit Center.

### FLEX ID PASS

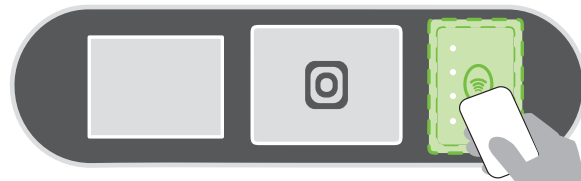

The "Flex Pass," which is green in color, is valid at any RTS bus stop, including the RTS Transit Center, from 5:30am to 7:00pm.

# Using Your RTS Smartcard ID Pass

## HOW TO USE THE RTS SMARTCARD ID PASS

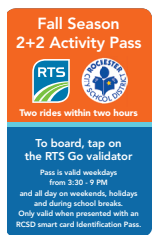

Show your ID Pass to the Bus Operator when you board the bus, and make sure your photo is visible. After that, it's "tap, beep, then take your seat." Tap the RTS Smartcard ID Pass on the Validator, and you will hear a "beep" sound that confirms your card is valid.

If you are not entitled to transportation services on RTS, you will hear, "Buzz." In this case, you will be required to exit the bus or pay the \$1 fare.

**If you attempt to use an ID Pass that is not yours, an ID Pass that has been tampered with, or an ID Pass that the validator indicates is not valid, the RTS Bus Operator is required to take it from you. Please remember that free transportation to school is a privilege, not a right. The privilege can be taken away for misusing your ID Pass or improper behavior.**

## RTS TWO PLUS TWO ACTIVITY PASSES

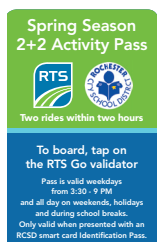

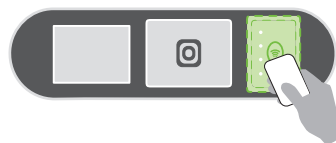

Fall

If you participate in after school activities, you will receive an RTS 2+2 Activity Pass. The RTS 2+2 Activity Pass is valid from 3:30 pm until 9:00 pm during the week and all day on the weekends, as well as on holidays and during school breaks.

Winter

When boarding with a Two Plus Two Activity Pass, you must first show your ID Pass to the Bus Operator and "tap" it on the validator.

Spring

Lastly, tap the RTS Two Plus Two Pass on the validator.
