of Vertus High School

"Building Leaders of Character"

I am pleased to introduce myself as the new principal of Vertus and am honored to be part of a school that is so positively changing the narrative and shaping the lives and futures of young men in our community.

Some of you may already be familiar with my name, as I have been working at Vertus for over 7 years and have been active in the community for the past 25 years. To those I have not yet met, I am looking forward to meeting and working with you this school year.

I have a passion for creating a positive and inclusive learning environment, which our young men desperately need. I have consistently demonstrated a commitment to fostering academic excellence, student growth, and community engagement using every avenue possible.

Whatever it takes!

Thank you for being a part of the Vertus Family. Together, we will prepare young men to be leaders of character.

Transportation

Each district handles transportation for their students (e.g., If you live in the city, RCSD handles the transportation for that student to Vertus). If you think your son's bus is late or a pick-up issue, please contact the district you live in directly.

Please be patient during the first few weeks of school, as districts are likely to experience later than normal pick-up and drop-off times while drivers learn their runs and get to know the students.
