Family Night

We want to extend a heartfelt thank you to each of you who attended our recent Family Night. Your presence and active participation made the event a tremendous success. It was wonderful to see so many families engaging with our school community and sharing in the celebration of our students' achievements.

For those who couldn't make it to Family Night, we missed your presence and hope to connect with you soon. We understand the importance of your involvement in your child's education, and we want to ensure that you are fully informed about your child's progress.

In light of this, I kindly encourage those who couldn't attend Family Night to schedule a meeting with your child's preceptor to review the progress reports. These meetings offer an invaluable opportunity to discuss your child's academic performance, address any concerns, and celebrate their successes.

Your active participation in your child's educational journey is immensely appreciated, and these meetings serve as an essential means of collaboration between home and school.

Reminders:

Attendance Matters

Each day of school presents invaluable opportunities for learning, growth, and social interaction. Here are several reasons why consistent attendance is crucial:

- **Academic Progress:** Regular attendance directly correlates with academic success. Being present in class ensures your son doesn't miss out on important lessons, discussions, and clarifications provided by teachers.
- **Building Foundations:** Each day builds upon the previous one. Consistent attendance allows your son to grasp concepts progressively, contributing to a solid foundation for future learning.
- **Active Engagement:** Active participation in classroom activities, discussions, and projects fosters deeper understanding and retention of information.
- **Social Development:** School is not just about academics; it's also a space for social interaction and skill-building. Regular attendance helps your son develop vital social skills, collaboration, and teamwork.
- **Habit Formation:** Consistent attendance establishes a habit of responsibility and discipline that will benefit your son throughout his life.

We understand that unforeseen circumstances may arise, impacting attendance. However, whenever possible, prioritizing regular school attendance greatly contributes to your son's overall success and well-being.

We are committed to supporting your child's educational journey, and we encourage open communication. If there are challenges affecting your son's attendance, please don't hesitate to reach out. Together, we can explore ways to support him effectively.

Student Pick-up

If you are picking your child up from school early, please call at least 15 minutes in advance before arriving. Parents can not pick students up after **2:45**. We are preparing for dismissal and cannot send students out after that time.
