

WEEKLY UPDATE

This Week!

I want to take a moment to wish you all a wonderful and rejuvenating break.

May this time away from the routine provide an opportunity for relaxation, bonding, and creating cherished memories with your loved ones. Whether you're planning exciting adventures or enjoying some well-deserved downtime at home, I hope this recess brings joy and fulfillment to each member of your family.

As we take this break, let's also use it as a moment to regroup and recharge for the upcoming weeks of school. I encourage you to take a moment for self-care, reflect on the positive moments of the year so far, and set intentions for a successful return to the school routine.

Remember to stay safe and take necessary precautions, especially given the current circumstances. Your well-being is our priority, and we look forward to having all students back refreshed and ready for an engaging and productive second half of the school year.

If you have any questions or concerns during the recess, please feel free to reach out. Wishing you a happy and safe break!

Reminders:

Attendance Matters

Each day of school presents invaluable opportunities for learning, growth, and social interaction. Here are several reasons why consistent attendance is crucial:

- **Academic Progress:** Regular attendance directly correlates with academic success. Being present in class ensures your son doesn't miss out on important lessons, discussions, and clarifications provided by teachers.
- **Building Foundations:** Each day builds upon the previous one. Consistent attendance allows your son to grasp concepts progressively, contributing to a solid foundation for future learning.
- **Active Engagement:** Active participation in classroom activities, discussions, and projects fosters deeper understanding and retention of information.
- **Social Development:** School is not just about academics; it's also a space for social interaction and skill-building. Regular attendance helps your son develop vital social skills, collaboration, and teamwork.
- **Habit Formation:** Consistent attendance establishes a habit of responsibility and discipline that will benefit your son throughout his life.

We understand that unforeseen circumstances may arise, impacting attendance. However, whenever possible, prioritizing regular school attendance greatly contributes to your son's overall success and well-being.

We are committed to supporting your child's educational journey, and we encourage open communication. If there are challenges affecting your son's attendance, please don't hesitate to reach out. Together, we can explore ways to support him effectively.

Student Pick-up

If you are picking your child up from school early, please call at least 15 minutes in advance before arriving. Parents can not pick students up after **2:45**. We are preparing for dismissal and cannot send students out after that time.

Pathways to Success

The "Pathways to Success" program is aimed at providing additional support and opportunities for your child's academic and character growth. PTS is a comprehensive support system designed to cater to the diverse learning needs of our students. It offers a range of services to help students excel in their in-person and online classes, as well as challenge themselves with advanced material for those looking to get ahead.

Pathways to Success is available every Tuesday/Thursday from 3:15- 5:15 p.m. and every Saturday from 8:00-11:00 a.m.

Students who stay and work can receive bus passes to get home, or parents can arrange rides.
