

Weekly Update

4/22/24

This Week

I hope this message finds you well. We want to extend our heartfelt gratitude to each of you for your unwavering support in ensuring that our students were present for their midterms last week. Your dedication to getting them to school every day is truly appreciated and plays a significant role in their academic success. Thank you for all that you do!

Tomorrow, 4/22, will be a Remote Learning Day for all students. It is important to note that ALL students are expected to log in to Edgenuity to be marked present for the day. Remote learning days provide a unique opportunity for students to develop the discipline of working independently while still engaging in meaningful academic activities. **(FYI- students have been sent an email outlining expectations for the day. Please have them check their Vertus emails daily)**

As prom approaches, we want to remind students that there is still time to purchase tickets. Prom is a memorable event, and we encourage all eligible students to take advantage of this opportunity to celebrate with their peers. Don't miss out on the chance to create lasting memories!

Thank you once again for your continued support and partnership in your child's education. If you have any questions or concerns, please don't hesitate to reach out.

Reminders:

Attendance Matters

Each day of school presents invaluable opportunities for learning, growth, and social interaction. Here are several reasons why consistent attendance is crucial:

- **Academic Progress:** Regular attendance directly correlates with academic success. Being present in class ensures your son doesn't miss out on important lessons, discussions, and clarifications provided by teachers.
- **Building Foundations:** Each day builds upon the previous one. Consistent attendance allows your son to grasp concepts progressively, contributing to a solid foundation for future learning
- **Active Engagement:** Active participation in classroom activities, discussions, and projects fosters deeper understanding and retention of information.
- **Social Development:** School is not just about academics; it's also a space for social interaction and skill-building. Regular attendance helps your son develop vital social skills, collaboration, and teamwork.
- **Habit Formation:** Consistent attendance establishes a habit of responsibility and discipline that will benefit your son throughout his life.

We understand that unforeseen circumstances may arise, impacting attendance. However, whenever possible, prioritizing regular school attendance greatly contributes to your son's overall success and well-being

We are committed to supporting your child's educational journey, and we encourage open communication. If there are challenges affecting your son's attendance, please don't hesitate to reach out. Together, we can explore ways to support him effectively.

Student Pick-up

If you are picking your child up from school early, please call at least 15 minutes in advance before arriving. Parents can not pick students up after **2:45**. We are preparing for dismissal and cannot send students out after that time.

Pathways to Success

The "Pathways to Success" program is aimed at providing additional support and opportunities for your child's academic and character growth. PTS is a comprehensive support system designed to cater to the diverse learning needs of our students. It offers a range of services to help students excel in their in-person and online classes, as well as challenge themselves with advanced material for those looking to get ahead.

Pathways to Success is available every Tuesday/Thursday from 3:15- 5:15 p.m. and every Saturday from 8:00-11:00 a.m.

Students who stay and work can receive bus passes to get home, or parents can arrange rides.
