

WEEKLY UPDATE 5/5/24

Welcome to the month of May! As we dive into this crucial time of the school year, it's imperative that we emphasize the importance of attendance and dedication. With graduation just around the corner next month, every day matters, and every class counts!

A huge shout out to all the students who had an amazing time at the prom last Friday! Witnessing our students create lasting memories is always heartwarming.

As the weather warms up, safety remains a top priority. We urge all students to make smart choices and steer clear of trouble.

Let's finish the school year strong by staying focused and engaged in our studies.

Additionally, this week is Teacher Appreciation Week. We encourage you to take a moment to express your gratitude to the teachers who work tirelessly to support and educate our students. A simple thank you can go a long way in brightening their day!

Thank you for your continued support and partnership in ensuring our students' success.

Warm regards,

Football signing day

We are thrilled to extend our heartfelt congratulations to the talented football players who recently committed to their colleges of choice on Signing Day. It was truly a momentous occasion, and we were honored to celebrate this achievement with the players and their families.

As our athletes embark on this exciting new chapter of their lives in college, we eagerly anticipate witnessing their continued growth and success both on and off the field. We have every confidence that they will represent themselves, their families, and our school community with distinction.

Reminders:

Attendance Matters

Each day of school presents invaluable opportunities for learning, growth, and social interaction. Here are several reasons why consistent attendance is crucial:

- **Academic Progress:** Regular attendance directly correlates with academic success. Being present in class ensures your son doesn't miss out on important lessons, discussions, and clarifications provided by teachers.
- **Building Foundations:** Each day builds upon the previous one. Consistent attendance allows your son to grasp concepts progressively, contributing to a solid foundation for future learning
- **Active Engagement:** Active participation in classroom activities, discussions, and projects fosters deeper understanding and retention of information.
- **Social Development:** School is not just about academics; it's also a space for social interaction and skill-building. Regular attendance helps your son develop vital social skills, collaboration, and teamwork.
- **Habit Formation:** Consistent attendance establishes a habit of responsibility and discipline that will benefit your son throughout his life.

We understand that unforeseen circumstances may arise, impacting attendance. However, whenever possible, prioritizing regular school attendance greatly contributes to your son's overall

We are committed to supporting your child's educational journey, and we encourage open communication. If there are challenges affecting your son's attendance, please don't hesitate to reach out. Together, we can explore ways to support him effectively.

Student Pick-up

If you are picking your child up from school early, please call at least 15 minutes in advance before arriving. Parents can not pick students up after **2:45**. We are preparing for dismissal and cannot send students out after that time.

Pathways to Success

The "Pathways to Success" program is aimed at providing additional support and opportunities for your child's academic and character growth. PTS is a comprehensive support system designed to cater to the diverse learning needs of our students. It offers a range of services to help students excel in their in-person and online classes, as well as challenge themselves with advanced material for those looking to get ahead.

Pathways to Success is available every Tuesday/Thursday from 3:15- 5:15 p.m. and every Saturday from 8:00-11:00 a.m.

Students who stay and work can receive bus passes to get home, or parents can arrange rides.
