You made it!

Congratulations! You've made it to the end of the school year! A special shout-out to all the 2024 graduates – we wish you the best on your journey after high school.

We hope that all students enjoy this much-needed break and stay safe. Please remember that our summer program starts on July 29th and is mandatory for all students. If your child has a summer job or family vacations planned, please communicate this with their preceptor, and we will work with your schedule.

It is important for students to stay engaged throughout the summer to be ready for the fall. If you need anything over the break, please feel free to reach out.

Thank you!

This Summer!

We are outside this summer!

Vertus will be partnering with events all over the city to connect and engage with the community. If you are at any of these events, stop by the Vertus table and say hello! We'd love to see you there. If

you know of any other events we should join, feel free to pass them our way. Let's make this summer a season of connection and community.

actively prepare for future college or career endeavors. In addition to academic enrichment, the session will feature internships and programs geared towards providing valuable real-world experiences.

At Vertus High School, we firmly believe in the philosophy that a year-round program is essential for the holistic development of our students, both academically and socially. This summer session aligns with our commitment to offering continuous support for your child's educational journey.

We encourage you to discuss the importance of active participation in this **mandatory summer session** with your child, emphasizing the long-term benefits it will bring to their academic and personal growth.
