Privacy Policy — Vertus Quiz Unlock SMS Service

Vertus Charter School operates this SMS service solely to allow remote students to request quiz unlocks for their Edgenuity courses.

Information we collect: Your phone number, school email address, course name, and a photo of your notes submitted during the unlock request process.

How we use it: This information is used only to process your quiz unlock request and is logged in a secure school-managed database accessible only to authorized staff.

*We do **not**:* Share your information with third parties, use it for marketing, or retain it beyond its educational purpose.

Data retention: Request logs are maintained for the current school year and reviewed by authorized staff.

Contact: For questions contact Mr. Daniels at rdaniels@vertusschool.org
